Issuing Authority: Gary E. Steed

I. Purpose: The State of Kansas establishes statewide standards and procedures covering many administrative and operational subjects. Many of these are applicable to KS-CPOST with no need to modify the policy or guideline as provided by the State.

II. Policy Statement: Where there is no need to establish a specific agency standard, policy or guideline KS-CPOST will follow the relevant standards, policies or guidelines of the appropriate State of Kansas office or department. Where it is necessary for an employee to sign an Understanding & Acceptance of Policy Statement a copy of that policy will be maintained in Appendix F.
